Store in a cool, well-ventilated area away from heat sources.

Keep away from heat, sparks, or open flames.

Do not eat, drink, and smoke while handling.

SECTION 8 – EXPOSURE CONTROLS / PERSONAL PROTECTION

This is a personal care product that is safe for consumers or other users under its intended and reasonably foreseeable use.

Use tight safety goggles, face shield, and protective clothing such as apron and boots to minimize skin contact.

Wear protective gloves that are resistant to chemicals.

Handle in accordance with good hygiene and safety practices.

Avoid prolonged contact on skin.

SECTION 9 – PHYSICAL AND CHEMICAL PROPERTIES

Physical State:	Emulsion
Color:	Light Yellow/Beige
Odour:	Neem Scent
Solubility:	Miscible in Water
Specific Gravity at 25°C:	1.00 to 1.05
pH:	5.5 to 6.5
Viscosity at 25°C:	300 to 600 mPas
Boiling Point:	>100°C

SECTION 10 – STABILITY AND REACTIVITY

10.1 Reactivity

No dangerous reaction under known normal use conditions.

10.2 Chemical Stability

Stable under normal conditions.

10.3 Possibility of Hazardous Reaction

None under normal processing and handling.

10.4 Conditions to Avoid

None known.

SECTION 11 – TOXICOLOGICAL INFORMATION

This is a personal care product that is safe for consumers or other users under its intended and reasonably foreseeable use. It is not expected to cause chronic health effects and should not have adverse effects on target organs. Finished product is also not expected to be carcinogenic.

SECTION 12 – ECOLOGICAL INFORMATION

The packaging components are compatible with conventional solid waste management practices.
No information on other adverse effects.

SECTION 13 – DISPOSAL CONSIDERATION

Dispose in accordance with all local and national regulations.
Do not contaminate ponds, waterways, or ditches.
Do not reuse containers.

SECTION 14 – TRANSPORTATION INFORMATION

Not restricted for transportation purposes.

SECTION 15 – DISCLAIMER

All information provided in this SDS is correct to the best of our knowledge at the time of its publication. The information serves only as a guide for usage, processing, storage, safe handling, transportation, and disposal. It is not a warranty or quality inspection. The information is only applicable to the specific material designated and may not be valid when the material is used in combination with any other material or in any process, unless specified in this document.
